

**MIN-GUIDE Policy Laboratory 4:
Innovations and Supporting Policies for
Waste Management and Mine Closure**

**Lavrion, Greece,
21-22 September 2017**

Draft Agenda

**Venue: Lavrion Technological and
Cultural Park
NTUA, Greece**

Thursday, 21 September 2017

08:30-09:00 Registration with coffee/refreshments

09:00 -10:05 Opening and Orientation

09:00-09:15 **Welcome & opening**

Ioannis Paspaliaris, Deputy Rector, National Technical University of Athens, Greece

09:15-09:30 **MIN-GUIDE project overview and objectives of the Policy Laboratory**

Andreas Endl, Institute for Managing Sustainability, Vienna University of Economics and Business, Austria

09:30-09:50 **The EU Raw Materials and Minerals Policy Framework: Policy Strategies, Regulatory Frameworks, and Links to other Sectorial Policies**

Helena Viegas & Florence Limet, Policy officers from DG Internal market, Industry, Entrepreneurship and SMEs, European Commission and from DG Environment respectively

09:50-10:05 Incl. Q&A

EIT RawMaterials. Linking academia-research-industry for innovation. KIC projects on waste management and mine closure

Krzysztof Kubacki, ECLC General Manager (TBC)

10:05-10:45 Innovation challenges and policy responses in waste management and mine closure

10:05-10:25 **Main innovation challenges and drivers in Waste Management and Mine Closure & link to policy framework - An industry perspective**

Katerina Adam, Assistant Professor in NTUA, Policy Specialist, School of Mining & Metallurgical Engineering National Technical University of Athens, Greece

10:25-10:45 **Results of the MIN-GUIDE stock-taking on innovation in waste management and mine closure – Enabling policies and good practice**

Antonis Politis, Laboratory of Metallurgy, School of Mining & Metallurgical Engineering National Technical University of Athens, Greece

10:45-11:15

Coffee Break

11:15-13:15

Parallel Policy Laboratories on waste management and mine closure– PART 1

11:15-11:25

Good practice cases on innovation for waste management and mine closure – Content of the 3 Policy Laboratories

Maria Taxiarchou, Assistant Professor, Laboratory of Metallurgy, School of Mining & Metallurgical Engineering National Technical University of Athens, Greece

11:25-11:30

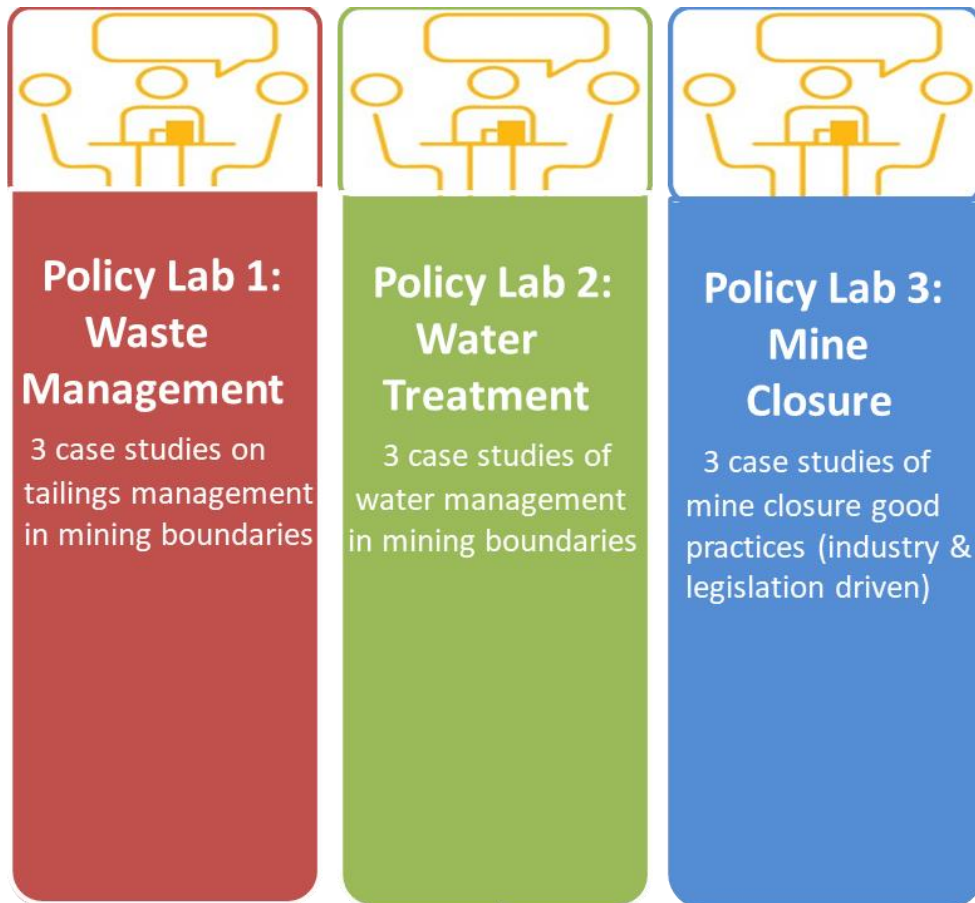

Concept and format of the 3 parallel Policy Laboratories

Gerald Berger, Institute for Managing Sustainability, Vienna University of Economics and Business, Austria

11:30-13:15

Part 1 – Listening, exchanging, and learning

3 parallel Policy Labs on innovation in waste management and mine closure, enabling environments and supporting policies: This includes presentations of 2-3 industry innovation cases and interactive discussion for enabling policy learning and transfer.

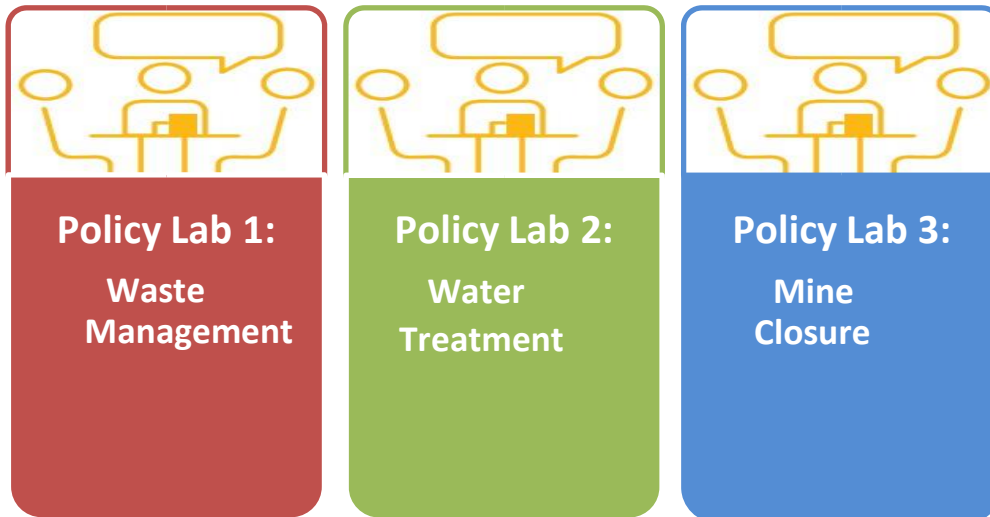

13:15-14:15 *Lunch Break*

14:15-15:45	Parallel Policy Laboratories on innovation and supporting policies for waste management and mine closure – PART 2
-------------	--

14:15-15:45 **Part 2 – Exploring transferability**

3 parallel Policy Labs on innovation in waste management and mine closure, enabling environments and supporting policies

Policy Lab 1:
Waste
Management

Policy Lab 2:
Water
Treatment

Policy Lab 3:
Mine
Closure

15:45-16:15 *Coffee Break*

16:15-17:00 Overview of the MIN-GUIDE Online Policy Guide

**16:15-17:00 Presentation of the MIN-GUIDE Online Policy Guide: Policy
stock-taking repository + innovation cases**
Roberto Tomasi, GOPA Com., Belgium

Incl. Q&A

17:00-17:15 Outlook on day 2
Gerald Berger, Institute for Managing Sustainability, Vienna
University of Economics and Business, Austria

17:30- *End of the day1*

20:00 Dinner in Athens city center

Friday, 22 September 2017

Feedback from the Policy Laboratories

09:00-09:30 Results from the Policy Laboratories from day 1 (short presentations by the Lab facilitators)

- o Policy Lab 1
- o Policy Lab 2
- o Policy Lab 3

Incl. Discussion with participants

09:30-11:00 Discovering future pathways for innovation and supporting policies in waste management and mine closure – PART 1

09:30-10:30 Group work on needs and gaps & future policy pathways
Interactive group work with participants on waste management and mine closures policy needs, gaps and future pathways

10:30 11:00 Feedback from group work
Antonis Politis, Laboratory of Metallurgy, School of Mining & Metallurgical Engineering National Technical University of Athens, Greece

11:00-11:30 Coffee Break

11:30-12:45 Discovering future pathways for innovation and supporting policies in waste management and mine closure – PART 2

11:30-12:30 Needs and gaps in policies for innovation in waste management and mine closure in Europe

- Ioannis Paspaliaris (NTUA)
- Helena Viegas (EC)
- Florence Limet (EC)
- Representative from Ministry of Greece (TBA)
- Katerina Adam (NTUA),
- Krzysztof Kubacki (EIT RM)

Panel discussion (Facilitator: Gerald Berger)

12:30 -12:45 Event closure and next steps in MIN-GUIDE

Gerald Berger, Institute for Managing Sustainability, Vienna
University of Economic and Business, Austria

12:45 **Policy Laboratory 4 End**

12:45-13:30 *Light lunch (please register) not mandatory*
